Name	Description	Price
Abies balsamea 'Nana'	A dwarf conifer with densely branched rounded habit that bears no cones on the, balsam-scented foliage.	12.00
Abies koreana	A small tree with shiny dark green leaves, silver beneath. Violet-blue, cylindrical cones held prominently on the horizontal branches.	12.00
Abies koreana 'Silberlocke'	Slow growing conifer that forms a compact pyramid shape. It has curling dark green needles that show off the silver undersides in all seasons. Produces abundant purple upright cones	30.00
Acer palmatum 'Beni-Maiko'	A Japanese Maple with striking red, deeply lobed leaves emerging in the Spring. Once Autumn arrives the leaves take on a much more fiery amber colour before falling for the Winter months. A fantastic specimen tree.	22.00
Acer palmatum 'Bi Hoo'	A stunning Japanese maple that provides year-round interest with its golden yellow stems. Leaves emerge with light pink hues, turning into a green yellow in Summer. In Autumn leaves will take on an orange-yellow tone before falling. Great addition to a smaller garden	22.00
Acer palmatum 'Butterfly'	An upright, compact Japanese Maple with lovely contrasting green and cream variegation. Leaves emerge with a delicate pink margin. In Autumn leaves will turn a rich scarlet, crimson	22.00
Acer palmatum dissectum 'Garnet'	Attractive small dome-shaped tree with finely-cut deep red foliage tinted red when young and turning rich crimson in Autumn.	22.50
Acer palmatum 'Jerre Schwartz'	A stunning dwarf Japanese Maple with leaves that emerge a bright pink-red, darkening into a rich maroon, maturing into green heading into the later parts of Summer. Ideal for smaller gardens and containers	22.00
Acer palmatum 'Katsura'	A dense, more compact Japanese maple compared to others. New emerging leaves are a striking gold-orange, later turning green in the Summer, and back to those striking Autumnal colours before falling	22.00
Acer palmatum 'Orange Dream'	A narrow, upright shrub with golden-yellow leaves in Spring turning to a bright lime-green in Summer and then a beautiful clear orange in the Autumn.	22.50
Acer palmatum 'Shaina'	A mid-sized Japanese Maple with a more upright, columnar habit. Attractive, deeply lobed foliage turning to a rich crimson in the Autumn	22.00
Acer palmatum 'Skeeters Broom'	A miniature Acer perfect for smaller gardens or containers. This narrow, upright ornamental shrub serves beautifully as a feature plant with its deep purple-red leaves turning a striking scarlet in Autumn	22.00

Name	Description	Price
Acer palmatum 'Phoenix'	A beautiful ornamental tree, perfect for a sheltered aspect. Young stems are bright red, maturing into a silvery white bark. Leaves turn a striking array of colours in Autumn before they fall.	22.00
Achillea 'Little Moonshine'	Compact clump-forming perennial with silver foliage and wide heads of bright yellow flowers Ideal for cutting as dried flowers.	5.50
Achillea millefolium 'Alabaster'	Late flowering form with pale yellow flower heads that turn ivory white with age and grey green foliage. Good for prairie planting. Excellent for bees and butterflies.	5.50
Achillea millefolium 'Lilac Beauty'	Delicate filigree foliage with light lilac-pink flowers during Summer. The flower heads can be dried if cut in their peak condition.	5.50
Achillea millefolium 'Lilac Beauty'	Delicate filigree foliage with light lilac-pink flowers during Summer. The flower heads can be dried if cut in their peak condition.	4.00
Achillea millefolium 'Pretty Belind'	An upright herbaceous perennial topped with clusters of pink flowers, arranged in flat umbels. Can be trimmed back mid-season to encourage a second flush of flowers.	5.50
Achillea 'New Vintage Red'	Compact clump-forming perennial with green feathery foliage and flat clusters of small vibrant red flowers. Trim flowers when they fade for repeat flowering Ideal for cutting as dried flowers. Great for wildlife.	5.50
Achillea 'New Vintage Rose'	Compact clump-forming perennial with green feathery foliage and flat clusters of small flowers in shades of bright salmon red. Trim flowers when they fade for repeat flowering Ideal for cutting as dried flowers. Great for wildlife.	5.50
Achillea 'New Vintage Violet'	Loved by bees and butterflies, this upright perennial boasts rich plum-violet umbelliferous flowers, atop upright stems and delicate feathered leaves	5.50
Achillea 'New Vintage White'	Compact clump-forming perennial with green feathery foliage and flat clusters of small white flowers. Trim flowers when they fade for repeat flowering Ideal for cutting as dried flowers. Great for wildlife.	5.50
Achillea 'Peter Cottontail'	Ivory white, button like flowerheads produced over low, green foliage. Ideal for cutting as dried flowers.	5.50
Achillea 'Saucy Seduction'	Clump-forming perennial with dark green, ferny leaves. Many stems of long lasting, bright rose pink flowers that fade to pastel pink in the autumn. Great for bees and butterflies. Good in prairie planting	5.50
Achillea 'Summerwine'	Delicate filigree foliage with flowers of deep purple on slender stems during Summer. The flower heads can be dried if cut in their peak condition.	7.50
Achillea 'Sunny Seduction'	Clump-forming perennial with dark green, ferny leaves. Many stems of long lasting, intense lemon flowers that fade to pastel yellow in the autumn. Great for bees and butterflies. Good in prairie planting	7.50

Name	Description	Price
Acorus calamus 'Variegatus'	A semi-evergreen, water loving plant with fans of glossy, narrow, sword shaped leaves striped with creamy white and green stripes turning pink in the frost	7.50
Actaea simplex 'Pink Spike'	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long pink/white flowers in the Autumn followed by black berries. Great for butterflies and other pollinators. Ideal for shady beds and complimenting Autumnal colours. Moist but well drained soil	10.50
Actaea simplex 'Brunette'	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long white flowers in the Autumn followed by black berries. Great for butterflies and complimenting Autumnal colours	9.50
Actaea simplex 'Carbonella'	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long white/pink flowers in the Autumn followed by black berries. Great for butterflies and complimenting Autumnal colours. Ideal for smaller gardens. Part-shade, moist to well drained soil.	10.50
Actaea simplex 'Chocoholic'	A herbaceous perennial with beautiful dark foliage producing spires of fragrant, long pink flowers fading to white in the Autumn followed by black berries. Great for pollinators and for complimenting Autumnal colours. Partial shade, moist but well drained soil.	10.50
Actaea simplex 'James Compton'	A herbaceous perennial with beautiful bronze lacy foliage. Spires of fragrant, long white flowers with a hint of pink open from pink buds in the Autumn and are followed by black berries. Great for butterflies and complimenting Autumnal colours. Rabbit resistant.	10.50
Actinidia kolomikta	Attractive climber with dark green leaves, variegated with pink and white towards the end of each leaf. Best sited facing south or west in sun.	9.50
Agapanthus 'Ballerina'	Evergreen, clump forming herbaceous perennial. Mid-blue pendulous flower heads on tall straight stems, makes an ideal back of the border addition.	8.50
Agapanthus 'Blue Thunder'	Clusters of dark blue flowers emerging from very dark buds & green foliage. Good pollinator. Perfect for patio pots.	8.50
Agapanthus 'Blue Umbrella'	Evergreen perennial with broad, arching, strap-shaped, glossy dark green leaves. Sturdy erect stems bear large trumpet shaped violet blue flowers.	8.50
Agapanthus campanulatus var albidus	A clump-forming hardy perennial with strap-shaped deep green leaves. Rounded clusters of bell-shaped, white flowers.	8.50
Agapanthus 'Double Diamond'	Compact perennial with narrow, strap-like leaves and erect stems bearing a rounded cluster of funnel-shaped, white flowers in late summer. Perfect for patio pots.	8.50
Agapanthus 'Flower of Love'	Intense dark blue trumpet shaped flowers. Perfect for patio pots.	8.50

Name	Description	Price
Agapanthus 'Full Moon'	Evergreen perennial producing a clump of glossy, strap-shaped leaves. Compact, rounded umbels of funnel-shaped flowers, with pale blue petals with a darker central stripe, appear in summer.	8.50
Agapanthus 'Indigo Dreams'	Herbaceous perennial with deciduous, narrow, strap-shaped green leaves and many small round heads of very dark indigo-blue flowers in late summer.	8.50
Agapanthus 'Megan's Mauve'	Evergreen perennial with deep purple buds opening to large heads of lavender blue flowers with a darker stripe down the centre. Perfect for patio pots.	8.50
Agapanthus 'Night Sky'	Deciduous, clump forming perennial. Blue flowers on tall stems with striped petals. Great for back of the border.	8.50
Agapanthus orientalis 'Queen Mum'	A tall, bi-tonal variety reaching up to around 1.2 metres. Elegant, trumpet-shaped white-lilac flowers blooming from...	8.50
Agapanthus 'Poppin Purple'	Neat, compact evergreen perennial. Elegant, dark purple-black buds opening to long lasting, starry violet blooms. Perfect for patio pots.	8.50
Agapanthus 'Purple Heart'	Evergreen, clump forming perennial with strong stems topped with stunning Lilac flower heads. Ideal container plant.	8.50
Agapanthus 'Royal Velvet'	Deciduous, clump forming herbaceous perennial. Rich velvety purple coloured flowers.	8.50
Agapanthus 'Silver Moon'	Deciduous, clump forming herbaceous perennial. Mid-blue flowers are produced on white and green variegated leaves. Ideal container plant.	8.50
Agapanthus 'Snow Cloud'	Evergreen, clump-forming perennial with large white flowerheads composed of hundreds of pure white florets. Ideal for the back of the border.	8.50
Agapanthus 'Snow Pixie'	Evergreen, clump forming herbaceous perennial. Spikes are topped by small flowerheads of many individual white florets. Ideal in containers.	8.50
Agapanthus 'Twister'	A clump-forming perennial with strap-shaped, deep green leaves and bicour flowers. The large trumpets of white flowers have a dark blue base Ideal for...	8.50
Ajuga reptans 'Black Scallop'	Creeping semi-evergreen perennial with dark bronze-purple, shiny, scalloped leaves and upright, spike-like blue flowers. Ideal ground cover.	7.50
Alchemilla mollis	A low, clump-forming perennial with shallowly-lobed, sharply-toothed, hairy, soft grey-green leaves. Loose, billowy sprays of yellow-green flowers. Good for naturalizing.	7.00
Allium 'Globemaster'	Grey-green, strap-shaped green leaves start to die back before large globes of light purple flowers appear on stems 80cm tall. Flowers in June. Full sun, moist, but well-drained soil.	4.00

Name	Description	Price
Allium 'Mount Everest'	Grey-green, strap-shaped green leaves start to die back before white, star-like flowers form tightly packed balls up to 12cm across	4.00
Allium sphaerocephalon	Dense, oval-shaped, purple blooms appear on upright stems once the grey-green foliage starts to die back	4.00
Alstromeria 'Little Miss Vanessa'	Compact mound forming perennial with clusters of funnel shaped flowers which are orange red with brown flecked yellow centres from July to Nov. Sun or part shade. Moist , well drained soil, deadhead regularly for repeat flowering, do not cut back too far after flowering.	7.50
Amelanchier 'Ballerina'	A small tree with fantastic Autumn colour and spring blossom. Flowers are white and relatively large and are followed by small red berries which turn to a deep purple.	38.00
Amelanchier canadensis	Dense, erect deciduous shrub with mid-green leaves. Masses of white flowers followed by circular leaves and blue-black fruit and superb red autumn colour.	24.50
Amelanchier canadensis	Dense, erect deciduous shrub with mid-green leaves. Masses of white flowers followed by circular leaves and blue-black fruit and superb red autumn colour.	19.50
Amelanchier lamarkii	Large erect deciduous shrub with bronze tinged young leaves and superb autumn colour. Masses of white flowers in spring and blue-black fruit in autumn which are great for the birds. Ideal for exposed or difficult sites	225.00
Andromeda 'Blue Ice'	A stunning dwarf, evergreen perennial that forms tight cluctsres of soft, pink, bell-shaped flowers in late Spring to early Summer	7.99
Anemone blanda 'Charmer'	An attractive, tuberous perennial that forms pink, daisy-like flowers, with a white centre in mid-Spring.	3.50
Anemone blanda 'White Splendor'	A robust perennial with pretty, pure-white flowers in Spring	3.50
Anemone 'Honorine Jobert'	Erect perennial with suckering shoots, mid-green leaves. Pure white flowers with contrasting yellow stamens. Ideal throughout a cottage garden border, tolerates partial shade. deadhead to promote repeated flowering, cut back in Winter.	8.50
Anemone hupehensis 'Pamina'	Erect hardy perennial with suckering shoots, dark green leaves. Very symmetrical, deep pink, double flowers. Ideal for late colour. Good cut flower.	8.50
Anenome hupehensis 'Ruffled Swan'	Beautiful herbaceous perennial adorning white flowers with lilac streaks lining the petals. Flowering from late Spring right through to late Autumn in the right conditions	7.50
Anemone 'Königin Charlotte'	Erect perennial with suckering shoots, mid-green leaves. Large, long lasting semi-double, rose-pink flowers. Great for late flower. Perfect as a cut flower, ideal for working throughout a border, tolerates partial shade.	8.50

Name	Description	Price
Anemone 'Little Princess'	A beautiful late flowering Autumn perennial. A compact form with many slender stems topped with clusters of baby pink flowers. Great for pollinators, provides a splash of colour for an Autumn front of border. Brightens up a container display perfectly.	8.50
Anemone nemerosa	A small woodland perennial that suits shadier spots in the garden. Produces a delicate, single white flower in Spring	4.00
Anemone rupicola 'Frilly Knickers'	Elegant double-headed herbaceous perennial, boasting bi-tonal white and pale violet petals. Works perfectly within a cottage garden border or container	7.50
Anemone 'September Charm'	A beautiful late flowering Autumn perennial with many slender stems topped with masses of large rosy pink cup shaped flowers. Great for late colour throughout an Autumn border. Deadhead to promote repeated flowering, cut back in Winter once foliage dies back.	8.50
Anemone 'Whirlwind'	Erect perennial with suckering shoots, mid-green leaves. An old American variety with semi-double white flowers. Provides late colour throughout an Autumn border. Deadhead to promote repeated flowering. Cut back once foliage dies back in Winter.	8.50
Anemone 'Wild Swan'	Clump forming hardy perennial with many attractive white flowers with pale blue on the reverse produced through summer. Deadhead regularly to encourage repeat flowering	9.50
Angelica gigas	A magnificent domed purple flowering perennial with impressive, structural size and appearance. Has stunning seed pods for a quality Autumn display.	8.00
Antennaria dioica 'Rosea'	Small glaucous leaves with rose pink flowers in Spring	3.50
Anthemis 'E. C. Buxton'	Clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers.	7.50
Anthemis 'E. C. Buxton Dwarf'	Compact clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers over a long period. Cut back flower stems after first flowering to encourage repeat flowering. Great for front of border	7.50
Anthemis nobile 'Trenague'	A non-flowering low growing hardy perennial. Ideal for planting between flags as when walked on the leaves are highly aromatic. Used to make lawns in a well drained sunny position	3.00
Anthriscus syvelstris 'Ravenswing'	An elegant perennial cultivar of cow parsley with sleek, dark purple stems contrasting against creamy white flower clusters.	7.50
Aquilegia 'Spring Magic Blue'	All Aquilegias have wonderful foliage that emerges early in the year, creating tufts of bright green. Showy blue and white coloured flowers through spring	6.50

Name	Description	Price
Aquilegia 'Spring Magic White'	A clump-forming perennial with stunning white flowers. Great for a naturalised setting, can be left to self seed to fill larger spaces.	6.50
Armeria maritima 'Rubrifolia'	Cushion-forming alpine with linear, dark bronze leaves and rounded pom-pom like rich crimson flowers on slender, upright stems.	4.00
Artemisia 'Powis Castle'	Upright mound of silver aromatic foliage. Small yellow flowers in late summer.	5.00
Artemisia 'Powis Castle'	Silver, aromatic foliage with fine, fern-like, aromatic leaves and tiny, yellow daisy flowers in August	7.50
Aster novi-belgii 'Crimson Brocade'	A late flowering perennial with clusters of semi-double magenta flowers bearing a yellow centre. Deadhead to tidy and promote repeat blooming. Cut back in late Autumn after flowering.	7.50
Aster divaricatus	Clump forming perennial with wiry blackish stems, green leaves. Open heads of tiny white flowers with brownish yellow centres	7.50
Aster frikartii 'Mönch'	Mound forming perennial covered in masses of large lilac flowers lasting over a long period in the autumn. Good mildew resistance	5.50
Aster novi-belgii 'Marie Ballard'	Clump forming perennial with masses of deep powder blue double flowers in late summer and autumn. Deadhead to promote repeat flowering.	5.50
Aster novi-belgii 'Sarah Ballard'	Clump forming perennial with masses of lilac flowers with a yellow centre in late summer and autumn. Deadhead to promote repeat flowering.	7.50
Astilbe 'Avalanche'	Clump-forming perennial with handsome dark green foliage. Fine white flowers in short, airy plumes during Summer.	6.50
Astilbe 'Bronze Elegans'	Vigorous perennial with handsome dark green foliage coloured bronze when young. Attractive, curved plumes of salmon-pink flowers.	6.50
Astilbe chinensis 'Purpurlanze'	Clump-forming perennial with handsome dark green foliage. Feathery, erect spikes of glowing purple flowers.	6.50
Astilbe 'Darwin's Snowsprite'	Bronze-tinged, deeply divided foliage in low mounds and loosely formed small white plumes. Moist soil.	6.50
Astilbe 'Inshriach Pink'	Clump-forming perennial with handsome dissected, shiny bronze-green foliage. Feathery spikes of pink flowers.	6.50
Astilbe japonica 'Washington'	Clump-forming perennial with spikes of scented fluffy cream flowers over dark green leaves. Perfect for a shady border.	6.50
Astilbe 'Mighty Chocolate Cherry'	Clump-forming perennial with handsome dark green foliage. Feathery velvety red flowers.	6.50
Astilbe simplicifolia 'Jacqueline'	Clump-forming perennial with handsome, dissected, shiny, dark foliage. A new introduction with dainty, arching spikes of	6.50

Name	Description	Price
	rich salmon-pink flowers.	
Astilbe x arendsii 'Spinell'	Clump-forming perennial with tall spikes of deep red flowers over green foliage. Perfect for a shady border.	6.50
Astilbe 'Walter Bitner'	Clump-forming perennial with striking pink flowers of excellent form.	6.50
Astilbe x arendsii 'Amethyst'	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of bright pink flowers.	6.50
Astilbe 'Bressingham Beauty'	Clump-forming perennial with handsome, bronze-tinted green foliage. Plumes of bright pink flowers.	6.50
Astilbe x arendsii 'Cattleya'	Clump-forming perennial with handsome dark green foliage edged dark red. Dainty, erect plumes of light rose-pink flowers.	6.50
Astilbe x arendsii 'Cappuccino'	Clump-forming perennial with bronze foliage and large plumes of creamy white flowers in summer. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Elizabeth Bloom'	Clump-forming perennial with handsome rich green foliage. Plumes of pure pink flowers.	6.50
Astilbe x arendsii 'Ellie van Veen'	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of white flowers.	6.50
Astilbe x arendsii 'Etna'	Compact clump-forming perennial with plumes of bright red flowers on upright stems. Ideal for moist soils and shade	4.00
Astilbe x arendsii 'Fanal'	Clump-forming perennial with handsome, dark, reddish-green foliage. Plumes of dark crimson flowers. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Granat'	Tall clump-forming perennial with plumes of large red flowers on strong stems. Ideal for moist soils and shade	6.50
Astilbe x arendsii 'Hyazinth'	Clump-forming perennial with handsome dark-green foliage. Plumes of lilac-pink flowers. Ideal for moist, shaded areas	6.50
Astilbe x arendsii 'Irrlicht'	A creamy-white flowered hybrid with emerald green foliage and compact in habit. Ideal for moist, shaded areas	6.50
Astilbe x arendsii 'Weisse Gloria'	Clump-forming perennial with handsome mid-green foliage. Large plumes of white flowers. Moisture retentive soil essential.	7.50
Astilbe x crispa 'Lilliput'	Shiny, cut and textured leaves and from mid-summer to early autumn, bears pale-pink flowers held on dark-red stems.	6.00
Astilbe x japonica 'Deutschland'	Vigorous perennial with handsome foliage. Superb plumes of white flowers with a green tint.	6.50
Astilbe x japonica 'Red Sentinel'	Vigorous perennial with dark foliage and superb plumes of deep crimson flowers.	6.50
Astilbe x thunbergii 'Professor van	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	8.50
Astilbe x thunbergii 'Professor van	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	9.50

Name	Description	Price
Astrantia major 'Buckland'	A splendid form of Astrantia with masses of cup shaped shocking pink flowers throughout late Spring and again during late Summer. Trim out old flower stems for repeat blooming	7.50
Astrantia major 'Claret'	One of the darkest forms of Astrantia with deep ruby coloured flowers. Cut out old flowering stems for repeat blooming later on. Cut back in Winter.	7.50
Astrantia major 'Dark Shiny Eyes'	Clump-forming perennial with lobed green leaves. Attractive, long-lasting, papery flowers with silver centres surrounded by red bracts. Good for cutting and drying. Dead head to encourage repeat flowering and prevent self seeding.	8.50
Astrantia major 'Roma'	Clump-forming perennial with lobed green leaves. Attractive starry paper like silver pink, long lasting flowers surrounded by greenish red bracts. Good for cutting and drying	8.50
Astrantia major 'Ruby Wedding'	Clump-forming perennial with lobed green leaves bearing attractive, long-lasting, deep purplish-red flowers. Deadhead to promote repeat flowering.	8.50
Aucuba japonica 'Golden King'	A dense evergreen shrub with a strong golden variegation. good for filling in large spaces in a shrub border, even used as a form of privacy and security.	12.50
Aucuba japonica 'Picturata'	A dense, robust, evergreen shrub with gold and green variegation. Ideal to fill a large space. Can be trimmed and kept compact allowing to fit into a variety of formats. Small purple flowers emerge in Early Spring along leaf axils.	12.50
Azalea 'Amoena'	A compact, evergreen Azalea that forms clusters of purple flowers in late Spring	14.50
Azalea 'Anneke'	Highly fragrant large lemon flowers with gold spotting in the throat produced in huge trusses.	23.50
Azalea 'Arabesk'	A dense evergreen Azalea that forms clusters of dark pink flowers in May	12.50
Azalea 'Florida'	A compact, evergreen shrub that forms clusters of dark pink/red flowers in late Spring	12.50
Azalea 'Gibraltar'	Ball-shaped trusses of 10-12 reliable blooms of flame orange flowers.	14.95
Azalea 'Gilbert Mullie'	A compact, evergreen Azalea that forms clusters of light pink flowers in late Spring	12.50
Azalea 'Glowing Embers'	Reddish-orange flowers in July. Blotched orange petals. Beautiful strong grower.	14.95
Azalea 'Homebush'	A deciduous shrub that forms clusters of pink flowers in late Spring	23.50
Azalea hortulanus 'H. White'	A deciduous shrub that forms clusters of orange flowers in late Spring	23.50
Azalea 'Hot Shot'	A compact, evergreen Azalea that forms clusters of red flowers in late Spring	12.50
Azalea japonica 'Madame van Hecke'	A compact, evergreen shrub with small, dark green leaves and pink funnel-shaped	8.50

Name	Description	Price
	flowers in late spring.	
Azalea 'Koster's Brilliant Red'	A deciduous shrub that forms clusters of red flowers in late Spring	23.50
Azalea 'Satan'	Dark red buds open to large orange flowers. Good resistance to mildew.	23.50
Azalea 'Schneewittchen'	A compact, evergreen Azalea that forms clusters of bright white flowers in late Spring	12.50
Azalea 'Viscosa'	A deciduous shrub that forms clusters of White flowers	23.50
Berberis darwinii 'Compacta'	A hardy evergreen shrub with dense glossy holly like leaves Deep orange flowers in spring are followed by blue berries in autumn. Requires little pruning. Can be used in mixed borders or as an informal hedge	8.50
Berberis thunbergii 'Golden Rocket'	A new compact berberis with bright yellow foliage, grows in a tight pillar and great for sun or shade, turns bright orange in autumn.	6.50
Berberis thunbergii 'Orange Rocket'	A new compact berberis with bright orange foliage, grows in a tight pillar and great for sun or shade, turns bright red in autumn.	6.50
Berberis x lologensis 'Mystery Fire'	Spreading shrub with arching stems, spine-toothed foliage, glossy and dark green above. Clusters of orange flowers are followed by blue black-fruit.	17.99
Bergenia 'Bressingham White'	Clump-forming perennial with broad, deep green leaves. Pure white flowers, pinking with age.	7.50
Bergenia ciliata	Clump-forming perennial with large broad, mid-green, softly hairy leaves turning a superb red in autumn. Flowers pink fading to white.	6.50
Bergenia cordifolia 'Winterglow'	Compact clump-forming evergreen perennial with light pink flowers in spring. Leaves turn reddish bronze through winter. Good ground cover	6.50
Bergenia 'Morgenröte' ('Morning Red)	Clump-forming perennial with broad deep green leaves. Bright reddish-pink flowers on red stems in early spring.	7.50
Betula utilis var. jacquemontii	Conical tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	39.50
Betula utilis var. jacquemontii	A multi stemmed tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	120.00
Brunnera 'Jack the Giant'	Large clump forming perennial with heart-shaped leaves silver-grey with dark green veins, with bright blue flowers in spring. Large variety of Jack Frost. Ideal for ground cover in shade	8.00
Brunnera macrophylla	Perennial with heart-shaped, green leaves. Attractive airy sprays of forget me not bright blue flowers	7.50
Brunnera macrophylla 'Jack Frost'	Perennial with heart-shaped leaves silver-grey with dark green veins. Bright blue forget-me-not type flowers in spring. Ideal for shade areas	9.50

Name	Description	Price
Brunnera 'Mr Morse'	A stunning, clump-forming perennial perfect for moist, shady areas of the garden. The brilliant white flowers and the unique variegation of the heart-shaped leaves, really brighten up those darker borders.	7.50
Brunnera macrophylla 'Silver Heart'	Deciduous, clump-forming perennial with heart-shaped, predominantly silver leaves that are finely veined and edged with green. Airy sprays of blue, forget-me-not-like flowers in spring. Ideal for ground cover in shade	9.50
Buddleja 'Buzz Hot Raspberry'	A new dwarf buddleja with scented hot pink flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Lavender'	A new dwarf buddleja with scented lavender flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Magenta'	A new dwarf buddleja with scented bright magenta, purple flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Buzz Sky Blue'	A new dwarf buddleja with scented deep blue flowers. Great for attracting butterflies and insects!	8.50
Buddleja 'Pink Delight'	A beautiful shrub with silvery green foliage and beautifully scented deep pink flowers that attract butterflies and bees and will bloom throughout Summer.	7.50
Buddleja 'Silver Anniversary'	Leaves are covered in white woolly hairs, which gives them a soft silvery appearance. Small white honey-scented flowers appear, attracting bees and butterflies.	8.50
Buxus sempervirens	Great plant for creating formal hedges in the garden, plant 6 plants to the metre, trimming twice per year, once in late Spring, then again mid-Summer.	8.00
Buxus Topiary	We have a new range of mixed shapes and sizes in stock to suit any outdoor space. Please enquire within for availability.	0.00
Calamintha nepeta	Hardy, bushy perennial with highly aromatic leaves and clouds of white flowers through late summer. Good for bees	7.00
Caltha palustris 'Flora Pleno'	A low growing perennial with kidney shaped green leaves bearing fully double yellow buttercup like flowers. Will tolerate boggy conditions.	6.00
Calluna vulgaris 'Multicolor'	Compact bushy evergreen shrub with copper, orange and red foliage and attractive mauve flowers.	2.50
Camassia esculenta	A delightful, upright bulbous perennial, forming blue-violet racemes. Ideal for herbaceous borders or moist meadow schemes	4.00
Campanula Lactifolia Alba	A splendid plant of upright habit with masses of white flowers during the summer months.	7.50
Campanula Lactifolia 'Loddon Anna'	A splendid plant of upright habit with tall spikes of lilac open bell shaped flowers during the summer months.	7.50

Name	Description	Price
Campanula Lactifolia Senior	A splendid plant of upright habit with masses of upward facing bell shaped blue flowers with a pale centre during the summer months.	7.50
Campanula 'Sarastro'	Spreading perennial with rosettes of dark green leaves. Large, pendulous, tubular bells of deep violet purple flowers. Good cut flower. Remove old flowers to increase flowering time.	7.50
Carex buchananii 'Red Rooster'	Dense evergreen sedge with upright arching orange to reddish brown foliage. Very effective planted amongst contrasting foliage and flower colours	8.00

Carex comans 'Bronze Form'	Dense evergreen clumps of narrow, hair-like, brownish leaves. Inconspicuous brown flower spikes. Compact and good in sun.	8.00
Carex comans 'Frosted Curls'	Densely tufted evergreen sedge with arching narrow, pale silvery green leaves curling at the tips. Inconspicuous green flower spikes.	7.50
Carex elata 'Aurea'	Elegant clumps of richly golden yellow leaves with green margins and gold and brown flower spikes. Light shade, moist soil.	5.50
Carex morrowii 'Ice Dance'	Evergreen, broad, tapered dark green leaves margined creamy white, gently arching upwards on a compact plant. Green and brown flower spikes.	7.50
Carex testacea 'Prairie Fire'	Dense evergreen sedge with upright slender green bronze foliage tipped with orange.	8.00
Centaurea montana	Clump-forming perennial with narrow leaves. Blue flowers with black centres from early-summer.	6.50
Cercis canadensis 'Forest Pansy'	A spreading shrub with beautiful, heart-shaped, dark purple-red leaves. Deep crimson, purple or pink flowers are borne before the leaves appear.	75.00
Cercis chinensis 'Avondale'	An upright-growing shrub with beautiful, heart-shaped, fresh green leaves which turn yellow in autumn. Deep purple flower clusters along the branches are borne before the leaves appear.	48.00
Chaenomeles x superba 'Pink Lady'	A spreading thorny shrub with mid-green glossy leaves. Clusters of cup-shaped, clear rose-pink flowers are borne in spring, followed by green edible fruits ripening to yellow.	8.50
Chamaecyparis 'Ellwood's Empire'	A neat, compact conifer with silvery-green foliage and a gold variegation. Reaching a mature height of around 1.5m. A great feature plant for a rockery.	10.00
Chamaecyparis 'Ellwood's Gold'	A slow-growing, gold-green conifer. Golden tips give year-round interest. Very low maintenance that matures to around 3-4m in 20 years	10.00

Name	Description	Price
Chamaecyparis 'Filifera Aurea'	Broadly conical habit with gracefully weeping golden yellow foliage. Works well in large space with the golden colours used as a contrasting backdrop	10.00
Chamaecyparis 'Little John'	A lovely, dwarf false Cypress with a dome-like habit and pendulous branches. The grey green-foliage sets off great contrast against stone when used in a rockery	10.00
Chamaecyparis 'Minima Glauca'	a highly popular dwarf conifer. Grown for its compact and low maintenance nature. Works perfectly in a rockery or for use in a formal borders as evergreen structure	10.00
Chamaecyparis obtusa 'Birgit'	A slow-growing, medium-sized evergreen conifer with rich green foliage and a bushy habit. Considered a dwarf variety due to its unusually slow growth rate. Perfect for rockeries and year-round structure.	10.00
Chamaecyparis obtusa 'Blue Feathers	A compact, slow-growing, evergreen conifer that has a neat habit. The foliage retains it's blue sheen to the underside of the finely textured leaves. Due to its slow growth rate and low maintenance, this is a great specimen for a smaller garden.	5.00
Chamaecyparis obtusa 'Gitte'		10.00
Chamaecyparis obtusa 'Kosteri'	A dwarf, slow-growing conifer, often flat-topped with horizontally held, fan-shaped, mossy sprays of bright green foliage, bronzing in Winter.	10.00
Chamaecyparis obtusa 'Nana Aurea'	A slow-growing tree of open, irregular growth habit and slightly pendulous, golden-yellow foliage.	10.00
Chamaecyparis pisifera 'Blue Planet	A compact, dwarf evergreen conifer with silvery blue foliage. Great for rockeries and containers due to its small size and slow growth	10.00
Chamaecyparis 'Pearly Swirls'	A lovely new variety with creamy-white variegation on the younger growth. Old foliage will turn silvery-green. Very slow growing, maturing at only 90cm makes this plant perfect for containers and rockeries	10.00
Chamaecyparis pisifera 'Sungold'	This dwarf coniferous shrub has greeny-yellow feathery foliage all year round. It forms a pleasant dome shape with flattened sprays of branches remaining compact and pleasing to the eye	10.00
Chamaecyparis pisifera 'True Blue'	A miniature blue-green, evergreen coniferous shrub with a compact, neat habit. Works perfectly in rockeries and containers due its slow, reliable growth	10.00
Chamaecyparis 'Silver Threads'	A dwarf, evergreen conifer with beautiful yellow variegation. Compact, pyrimidal habit allows it to fit into any rockery or small border for year-round interest and structure. Matures in around 10 years at 120-150cm tall.	10.00
Chamaecyparis 'Snow White'	A compact, dwarf evergreen conifer that works well in containers and rockeries for year-round structure and interest. Foliage has a white blush to the tips that eventually turns a stunning blue-green	10.00

Name	Description	Price
Chamaecyparis 'Scurrosa Sulphurea'	A very slow growing, evergreen conifer with soft, needle-like foliage, which emerges as a soft yellow then fading slowly into a blue-green throughout the Winter. Matures into a large tree between 4 and 8 metres	10.00
Chamaecyparis thyoides 'Top Point'	A neat, dwarf evergreen conifer. New foliage emerges as a dusty blue slowly turning into a rich, grass-green colour as it ages. A classic, conical form gives it structure making it a perfect addition to a formal setting or for a bit of height in a large container	10.00
Chiastophyllum oppositifolium	Hardy perennial with evergreen leaves and masses of hanging yellow flowers through late spring and summer. Very versatile, tolerates shade well.	4.00
Choisya ternata 'Sundance'	Compact evergreen shrub with bright golden-yellow, aromatic foliage and masses of sweetly-scented pink-tinged white flowers borne in late Spring and again in late Summer.	10.99
Cirsium rivulare 'Atropurpureum'	Deep crimson thistles appear on erect stems above spiny, dark green leaves. It will tolerate dry conditions and partial shade, but does best in a moist, sunny border.	8.50
Cirsium rivulare 'Frosted Magic'	Recent introduction. Hardy clump forming perennial with stiff upright stems of long lasting, white thistle like flowers. Great planted with grasses	7.50
Cistus 'Decumbens'	A stunning, ground cover, shrubby perennial. Prefers a sunny spot with free draining soil and can tolerate dry conditions. Large, white flowers emerge in Summer, sometimes lasting through into early Autumn.	8.50
Cistus x pulverulentus 'Sunset'	A dwarf bushy shrub with soft grey-green leaves and showy, saucer-shaped clear pink flowers.	8.50
Clematis 'China Purple'	An upright bushy perennial form of Clematis with beautiful bell shaped scented purple flowers in summer followed by fluffy seed heads in the autumn. Prune back in spring.	12.50
Clematis heracleifolia 'Cassandra'	A perennial form of Clematis with beautiful scented royal blue flowers in Summer. Chop down in the Autumn	12.50
Clematis heracleifolia 'Pink Dwarf'	A low growing herbaceous form of clematis flowering over a long time from Aug-Oct. Covered in small light pink tubular flowers with recurved petals and yellow stamens. Ideal for growing alongside a path or steps.	12.50
Clematis texensis 'Princess Diana'	Trumpet shaped, dark pink blooms in abundance throughout Summer.	12.50
Corylus avellana 'Contorta'	A shrub with heart-shaped, curled green leaves and strongly twisted stems that are particularly effective in Winter. Bears yellow catkins, late Winter, early Spring.	19.50
Cordyline australis	A palm-like sub-tropical tree with sword-like foliage. Clusters of scented-white flowers emerge in late Spring	14.50
Cordyline 'Southern Splendour'	A sub-tropical, half-hardy tree with multi-variegated, sword-like foliage. Clusters of sweetly fragrancd flowers emerge in late	14.50

Name	Description	Price
Spring		
Coreopsis verticillata 'Grandiflora'	A bushy perennial with narrow, finely dissected leaves and dark yellow, daisy-like flowerheads.	7.50
Cornus alba 'Elegantissima'	A vigorous shrub with red winter shoots. Grey-green leaves margined white, red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	7.50
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	30.00
Cornus alba 'Sibirica'	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	12.50
Cornus alba 'Sibirica'	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	30.00
Cornus alba 'Siberian Pearls'	A vigorous shrub with bright red winter stems and good autumn colour. White flowers are followed by clusters of white berries. Prefers moist soil. Prune hard early March. Sunny position for best stem colour	13.50
Cornus canadensis	A mat forming herbaceous perennial. Conspicuous white bracts surround green flowers in the spring and red berried in autumn. Ideal for a woodland garden	9.50
Cornus sanguinea 'Midwinter Fire'	A vigorous shrub with branches yellow at the base deepening to fiery orange at the tips in winter. Soft green leaves turn orange and yellow in autumn.	12.00
Cornus sanguinea 'Winter Beauty'	A vigorous shrub with brilliant flame coloured stems. Soft green leaves turn orange and yellow in autumn.	30.00
Cornus sericea 'Flaviramea'	A vigorous suckering shrub with bright yellow-green winter shoots. Dark green leaves turn red or orange in Autumn; white flowers are followed by white fruits, often tinged blue. Prefers moist soil.	10.00
Cortaderia 'White Plume'	A very robust grass that forms large, white feathery flowers in Late Summer to Autumn. Great for a large space, creating dramatic effects in the garden	7.50

Name	Description	Price
Cotinus coggygria 'Golden Spirit'	A bushy tree or shrub with rich, golden-yellow rounded leaves tinting in Autumn. Pink-coloured, plume-like inflorescence give a smoke-like effect at the...	9.50
Cotinus coggygria 'Old Fashioned'	A bushy tree or shrub with large, rounded, greeny grey leaves turning yellow, orange and red in Autumn. Pink-coloured plume-like inflorescence giving a smoke-like effect appear late summer onwards, even on young plants.	9.50
Cotinus coggygria 'Young Lady'	A bushy tree or shrub with large, rounded, green leaves turning yellow, orange and red in Autumn. Pink-coloured plume-like inflorescence giving a smoke-like effect appear late summer onwards, even on young plants.	9.50
Cotoneaster 'Coral Beauty'	A dense evergreen, mound-forming shrub with glossy, dark green leaves. White flowers are followed by rounded, bright orange fruit.	5.99
Cotoneaster franchetii	A tall semi-evergreen shrub with arching branches. White flowers tinged with pink in early summer are followed by orange red fruit. Ideal for hedging	12.50
Crocsmia 'Anna Marie'	A clump forming perennial with sword-like, mid-green leaves. Arching sprays of funnel shaped orange red flowers. Ideal for late summer colour. Good in prairie style planting	5.50
Crocsmia 'Bowland Blaze'	A perennial raise at the nursery with sword-like, dark green leaves. Arching, branched spikes of spider-shaped, dark red...	5.50
Crocsmia 'Bowland Gold'	A compact variety with short stems of tightly packed bright golden yellow flowers in mid Summer.	5.00
Crocsmia 'Buttercup'	A perennial with sword-like, mid-green leaves. Medium-sized flower spikes with bold, Golden-yellow flowers.	5.50
Crocsmia 'Buttercup'	A perennial with sword-like, mid-green leaves. Medium-sized flower spikes with bold, Golden-yellow flowers.	7.50
Crocsmia 'Carmin Brilliant'	A perennial with sword-like, mid-green leaves, with a profuse medium size flower spikes of glowing-red carmine flowers. Best colour attained out of direct sunlight.	5.50
Crocsmia 'Citronella' (J.E.Fitt)	A perennial with sword-like mid-green leaves. Erect branched spikes of pale, citron-yellow flowers.	5.50
Crocsmia 'Citronella' (J.E.Fitt)	A perennial with sword-like mid-green leaves. Erect branched spikes of pale, citron-yellow flowers.	7.50
Crocsmia 'Citronella' (J.E.Fitt)	A perennial with sword-like mid-green leaves. Erect branched spikes of pale, citron-yellow flowers.	6.00
Crocsmia 'Emberglow'	A perennial with sword-like, dark green leaves. Arching, branched spikes of funnel-shaped, dark red flowers.	5.50
Crocsmia 'Emberglow'	A perennial with sword-like, dark green leaves. Arching, branched spikes of funnel-shaped, dark red flowers.	8.50

Name	Description	Price
Crocasmia 'Fandango'	A good perennial with narrow pleated mid-green leaves and extra long spikes of bright, pale orange flowers on free-flowering...	5.50
Crocasmia 'Fireglow'	A perennial with bronze sword-like leaves. Stocky spiked of amber yellow flowers with red streaks	5.50
Crocasmia 'Fireglow'	A perennial with bronze sword-like leaves. Stocky spiked of amber yellow flowers with red streaks	7.50
Crocasmia 'Firebird'	A bold and choice perennial with pleated, sword-like mid-green leaves. Arching, branched spikes of upward-facing, funnel-shaped, striking flame-orange...	5.50
Crocasmia 'Firefly'	A clump forming perennial with sword-like, mid-green leaves. A slender, more compact form with arching sprays of funnel shaped fiery red flowers. Ideal for late summer colour. Good in prairie style planting	5.50
Crocasmia 'Gerbe d'Or'	A perennial with sword-like bronzed leaves. Arching, branched spikes of funnel-shaped, lemon-yellow flowers.	5.50
Crocasmia 'Gerbe d'Or'	A perennial with sword-like bronzed leaves. Arching, branched spikes of funnel-shaped, lemon-yellow flowers.	6.50
Crocasmia 'Golden Fleece'	A perennial with sword-like, mid-green leaves. Many medium-sized flower spikes with clear-yellow flowers.	5.00
Crocasmia 'Hellfire'	The deepest red of all Crocasmias with long green leaves topped off with rich velvety red flowers in summer.	7.00
Crocasmia 'Highlight'	A perennial with sword-like, mid-green leaves and arching spikes of yellow-centred, pale orange flowers.	5.50
Crocasmia 'Highlight'	A perennial with sword-like, mid-green leaves and arching spikes of yellow-centred, pale orange flowers.	8.50
Crocasmia 'Irish Dawn'	A perennial with sword-like, mid-green leaves. Profuse tight sprays of deep golden-yellow flowers on short stems.	5.50
Crocasmia 'Jackanapes'	A perennial with sword-like, mid-green leaves. Arching, branched spikes of bicoloured orange-red and yellow flowers on slender stems.	5.50
Crocasmia 'Jupiter' ('Saturn')	A bulbous perennial with sword-like, mid-green leaves and bright yellow-orange, wide-open flowers on arching stems in late Summer.	5.50
Crocasmia 'Lana de Savary'	A perennial with sword-like, mid-green leaves. Well-spaced red flowers with a hint of yellow on a compact plant.	5.50
Crocasmia 'Lady Hamilton'	A perennial with sword-like, mid-green leaves. Profuse and long flowering with yellow-blushed, pink flowers.	5.50
Crocasmia 'Lord Nelson'	A upright perennial with sword-like mid-green leaves and dark purple stems. Fan-shaped inflorescences of intense deep orange-scarlet flowers, 2.5in. across, with a yellow eye, crimson red externally.	5.50

Name	Description	Price
Crocosmia 'Lucifer'	A bold perennial with pleated, sword-like mid-green leaves. Arching, branched spikes of upward-facing, funnel-shaped, brilliant flame-red flowers.	8.50
Crocosmia 'Lucifer'	A bold perennial with pleated, sword-like mid-green leaves. Arching, branched spikes of upward-facing, funnel-shaped, brilliant flame-red flowers.	5.50
Crocosmia masoniorum 'Mini'	A compact hardy perennial with pleated, sword-like mid-green leaves. Arching, spikes of upward-facing, funnel-shaped, orange-flame flowers.	5.50
Crocosmia 'Mephistopheles'	A perennial with sword-like, mid-green leaves, with large vivid flame flowers shading to gold at the centre and crimson-maroon markings at the eye, the tepal reverse being orange-scarlet and...	4.00
Crocosmia 'Ministar'	A compact clump forming perennial with sword-like, mid-green leaves. Arching sprays of dark orange flowers with a yellow throat. Ideal for summer colour. Good in prairie style planting. Good for cut flower	5.50
Crocosmia 'Mistral'	A perennial with sword-like, mid-green leaves. Arching sprays of wide-open, starfish-shaped, red flowers.	5.50
Crocosmia 'Mistral'	A perennial with sword-like, mid-green leaves. Arching sprays of wide-open, starfish-shaped, red flowers.	7.50
Crocosmia 'Mount Usher'	A perennial with sword-like, mid-green leaves. Profuse sprays of pale yellow flowers.	5.50
Crocosmia 'Orange Emberglow'	A perennial with sword-like, dark green leaves. Arching, branched spikes of funnel-shaped, dark orange flowers with yellow throats. Good for late summer colour. Good cut flowers	5.50
Crocosmia 'Pepper'	Hardy perennial with sword shaped leaves and sprays of yellow trumpet flowers in summer with red peppering on the outside of the flowers.	5.50
Crocosmia potsii 'Culzean Pink'	A perennial with sword-like, mid-green leaves. Medium-sized sprays of forward-facing, tubular, pink flowers.	5.00
Crocosmia 'Pride of Plantation'	A tall clump forming perennial with sword-like, mid-green leaves. Ideal for back of border Upright sprays of tubular orange red flowers. Ideal for late summer colour. Good in prairie style planting	5.50
Crocosmia 'Raspberry Spray'	A new variety with elegant sprays of raspberry pink flowers in summer. pink	7.00
Crocosmia 'Saracen'	A perennial with sword-like, mid-green leaves. Medium-sized, wide-open red flowers and a regular orange/yellow central zone.	5.50
Crocosmia 'Saint Clements'	A perennial with sword-like, mid-green leaves. Small, upright-facing, trumpet-shaped flowers, lemon yellow inside and pink outside held in an airy spray.	5.50

Name	Description	Price
Crococsmia 'Severn Sunrise'	A perennial with sword-like mid-green leaves. Upright, branched spikes of funnel-shaped, salmon-orange flowers tinged pink on fading..	5.50
Crococsmia 'Severn Sunrise'	A perennial with sword-like mid-green leaves. Upright, branched spikes of funnel-shaped, salmon-orange flowers tinged pink on fading..	7.50
Crococsmia 'Star of the East'	A perennial with sword-like mid-green leaves. Arching, branched spikes of open, reflexed, clear orange flowers, with very pale centres.	5.50
Crococsmia 'Star of the East'	A perennial with sword-like mid-green leaves. Arching, branched spikes of open, reflexed, clear orange flowers, with very pale centres.	8.50
Crococsmia 'Suzanna'	A tallclump forming perennial with sword-like, mid-green leaves. Delicate arching sprays of funnel shaped yellow flowers giving good late summer colour. Good in prairie style planting	5.50
Crococsmia 'Tangerine Queen'	An erect perennial with sword-like, dark green leaves. Long sprays of striking tangerine-orange flowers held upright.	5.50
Crococsmia 'Warburton Red'	A slow-growing perennial with sword-like, dusky leaves. Spikes of red flowers.	5.50
Crococsmia 'Yellow Emberglow'	A perennial with sword-like, dark green leaves. Arching, branched spikes of funnel-shaped, amber yellow flowers which combine well with large flowering grasses. Good for late summer colour. Good cut flowers	5.50
Crococsmia 'Zeal Giant'	A perennial with sword-like, mid-green leaves. Large size, arching but erect flower spikes of intense, bright orange flowers.	9.50
Crococsmia 'Zeal unnamed'	A perennial with sword-like, mid-green leaves. Large size flower spikes of intense, deep orange flowers.	5.50
Crocus biflorus 'Miss Vain'	A stunning, white Crocus with a sweet, subtle fragrance. Heralding a classic goblet shape, these early bloomers provide a lot of brightness during the gloomiest of months	3.50
Crocus chrysanthus 'Dorothy'	An early flowering Crocus with bright yellow blooms and a pleasant, subtle scent	3.50
Crocus chrysanthus 'Prins Claus'	An early flowering Crocus with extraordinary bitonal white and purple petals.	3.50
Crocus 'Orange Monarch'	A very early flowering Crocus with attractive open, honey-orange petals. The distinctive darker striations on the petals give tonal contrast	3.50
Cryptomeria japonica 'Elegans'	A unique evergreen conifer with foliage that transforms colours throughout the season. Blue/Green foliage in Spring, turning fresh green in the Summer, then to a lovely burgundy red in Winter.	10.00
Cryptomeria japonica 'Little Champi'	A slow growing evergreen conifer native to Japan. The bark is an attractive rusty brown, contrasting against fresh, lime-green foliage. Has a neat habit and can be used as a statement shrub in medium sized garden	10.00

Name	Description	Price
Cryptomeria japonica 'Sekkan Sugi'	An evergreen conifer with unique herring-bone arrangement of branches. Foliage is unusually soft to the touch. Reaches maturity in around 20years getting to around 4metres tall with narrow canopy	11.00
Cryptomeria japonica 'Spiralis'	A slow-growing evergreen shrub with asymmetrical branching. Has twisted foliage in a lush lime-green tone. Any leading shoots that emerge can be snipped to keep compact. Looks great in a feature pot or rockery.	10.00
Cryptomeria japonica 'Tilford Gold'	A slow-growing, rounded, dwarf conifer with fresh green foliage tinted yellow, turning more golden in Winter.	10.00
Cryptomeria japonica 'Vilmoriniana'	A dwarf, evergreen shrub with a compact, rounded habit. Often used as a unique substitute for small Buxus hedging, where blight would not be an issue. Very slow growing and low maintenance.	10.00
Cryptomeria 'Little Champion'	A half-standard, evergreen conifer. Great for adding a formal aesthetic in the garden, with year-round interest and structure	94.99
Cupressocyparis 'Castlewellan Gold'	An evergreen, coniferous tree, with golden foliage, that has been shaped into 'pom-poms'. Keep well watered and cut once annually to retain shape.	150.00
Cytisus praecox 'Albus'	A compact shrub with arching stems and small silver-green leaves. Abundant fragrant, white flowers borne in clusters.	9.50
Daphne odora 'Aureomarginata'	A rounded evergreen shrub with leathery, deep green, narrowly margined creamy-yellow. Clusters of very fragrant, purple-red flowers, almost white within, followed by red fruits.	24.50
Daphne odora 'Perfume Princess'	An upright evergreen shrub with long thin evergreen leaves. A new introduction with very large very fragrant flowers along the length of the stems in early spring. Sheltered spot	25.00
Delphinium 'Astolat'	A pacific hybrid perennial with tall spikes of deep pink flowers.	7.50
Delphinium 'Dark blue/black bee'	Semi dwarf variety with tall spikes of deep purple flowers with blue black centres.	7.50
Delphinium 'Dark blue/white bee'	Sturdy spikes of deep purple flowers with white centres. Ideal cut flowers or in containers.	7.50
Delphinium 'Blue Bird'	A pacific hybrid perennial with tall spikes of blue flowers.	7.50
Delphinium 'Black Knight'	A pacific hybrid perennial with tall spikes of deep purple flowers.	6.00
Delphinium 'Galahad'	A pacific hybrid perennial with tall spikes of pure white flowers.	7.50
Delphinium 'King Arthur'	A tall growing perennial with spikes of purple flowers with a white centre.	6.50
Delphinium 'Lilac rose/whitebee'	Dwarf variety with deeply cut green leaves with magestic spikes of lilac pink flowers and white centres.	7.50

Name	Description	Price
Delphinium 'Magic Fountain Black bl	Sturdy spikes of deep purple flowers with white centres. Ideal for cut flowers or patio pots.	7.50
Delphinium 'Magic Fountain Dark blu	Semi dwarf variety with tall spikes of deep purple spires with blue black centres.	7.50
Delphinium 'Magic Fountain White'	A tall growing perennial with spikes of double white flowers with a contrasting dark centre.	6.50
Delphinium 'Pacific Hybrids'	Magestic semi double flowers rise above palmate foliage in Summer. Good for cut flowers.	7.50
Deschampsia 'Bronzeschleier'	Hardy grass forming tussocks of dark green foliage with airy plumes of silver foliage turning gold brown with age. Dead head to prevent self seeding. Cut foliage back in spring.	7.50
Diascia 'Breeze plus white'	A haze of large white flowers on compact plants. Ideal for containers and baskets in sun or partial shade.	5.00
Diascia 'Little Dreamer'	A haze of intense orange pink flowers over a long period on compact plants. Ideal for containers and baskets in sun or partial shade.	3.50
Dicentra spectabilis	Arching sprays of dainty white and pink, heart-shaped flowers appear in late spring above fern-like, fresh green leaves.	8.50
Dicentra spectabilis 'Valentine'	Arching sprays of dainty, rich red, heart-shaped flowers appear in late spring above fern-like, fresh green leaves.,	8.50
Digitalis 'Albiflora'	Majestic spikes of pure white, tubular flowers that appear in June and July are perfect for the back of the border, and will attract bees and other beneficial insects.	6.50
Digitalis 'Dalmation Peach'	In late spring to early summer tubular flowers of soft apricot with purple speckled throats are held on erect stems.	6.50
Digitalis 'Dalmation Purple'	In late spring to early summer tubular lilac purple flowers with maroon spotted throats are held on erect stems.	6.50
Digitalis 'Dalmation White'	In late spring to early summer tubular flowers of white with purple speckled throats are held on erect stems.	6.50
Digitalis 'Dwarf Carillion'	Yellow, bell-shaped blooms preferring partial shade on slender, upright stalks adding structure and depth. Please note, this plant is toxic.	6.50
Digitalis purpurea 'Lutea'	Glossy rich green leaves form a basal clump, from which stout stems arise in early summer bearing small soft yellow trumpets that are attractive to pollinating insects.	6.50
Digitalis 'Pink Panther'	A showy variety of pink flowers with spotted throats on tall, upright spikes . Attract bees and other beneficial insects.	6.50

Name	Description	Price
Digitalis purpurea 'Excelsior'	Tall spires of large, flowers in soft shades of purple, pink, creamy-yellow or white, each one with throats spotted maroon or purple. Perfect for the back of the border.	6.50
Digitalis 'Summer King'	A shorter, chunkier form than common foxgloves with large, berry pink flowers tinged with copper and gold, rising above a rosette of fairly deep evergreen foliage.	6.50
Digiplexis x valinii 'Berry Canary'	A cross between a foxglove and isoplexis producing exotic looking tall spikes of flowers with hot pink tubular flowers with yellow throats and burgundy speckling. Excellent for insects. protect through winter.	7.50
Dryopteris 'Cristata The King'	A very hardy fern forming a magnificent specimen with a shuttlecock of fronds having large crests on both the frond tips and pinnae. Acid soil preferred.	7.50
Echinacea 'Delicious Nougat'	Compact, sturdy clump forming perennial with double daisy like flowers which are creamy white with a yellow green central cone. Good cut flower. Great for pollinators and birds enjoy the seeds. Apply a good mulch in the autumn	7.50
Echinacea 'Julia'	Compact, sturdy clump forming perennial with daisy like tangerine flowers turning gold with age. The down turning petals surround a dark central cone. Good cut flower. Great for pollinators and birds enjoy the seeds. Apply a good mulch in the autumn	7.50
Echinacea purpurea 'PowWow White'	Clump forming perennial with white daisy flowers and a prominent brown central cone on upright stems. Good for cut flowers	7.50
Echinops 'Arctic Glow'	An upright hardy perennial with large spherical white flower heads on sturdy stems through summer and attractive silver green foliage. Good for bees and butterflies. Flower heads good for cutting or drying.	8.50
Echinops bannaticus 'Veitch's Blue'	A clump-forming perennial, with deeply lobed, dark green, thistle-like foliage, and globular, steel-blue flowerheads on silver-grey, branched, leafy stems.	7.50
Echinops gmelinii 'Snow King'	An upright hardy perennial with a profusion of spherical white flower heads through summer. Good for bees and butterflies. Flower heads good for cutting or drying.	8.50
Elaeagnus x ebbingei 'Limelight'	A vigorous, evergreen shrub with silvery young leaves which become marked with yellow and pale green in the centres, silvery beneath. Fragrant creamy white flowers followed by orange speckled silver fruit.	8.50
Elaeagnus x ebbingei	A group of winter flowering evergreen shrubs with some varieties being scented, held against bold evergreen foliage of varying colours, can also be used as a hedging plant.	25.00

Name	Description	Price
Elaeagnus x ebbingei	A good shade tolerant evergreen shrub which leaves which have a silver underside creating a silver green shimmering effect. great in a mixed border of for informal hedging. Prune late winter. Remove any branches bearing plain green leaves.	98.00
Elaeagnus x ebbingei	A good shade tolerant evergreen shrub which leaves which have a silver underside creating a silver green shimmering effect. great in a mixed border of for informal hedging. Prune late winter. Remove any branches bearing plain green leaves.	8.50
Elaeagnus x ebbingei Compacta	Compact and more dense growing than Eleagnus ebingii which has evergreen leaves with beautiful silver undersides. Good for mixed borders and makes a great hedge. Ideal for windy or shady conditions	16.99
Epimedium pubigerum	A clump-forming perennial with smooth, green foliage and small flesh pink to white flowers, April-May.	7.50
Epimedium x rubrum	A clump-forming perennial with green leaves, flushed red when young and turning deep red in Autumn. Charming crimson and white flowers with short spurs.	7.50
Epimedium x versicolor 'Sulphureum'	A clump-forming perennial with heart-shaped, green leaves, copper-red and brown when young. Charming yellow...	7.50
Epimedium youngianum 'Roseum'	A Spring spray of pink-purple, bell-shaped flowers stand above neat deciduous foliage. This hardy compact perennial enjoys wet shade.	7.50
Equisetum hyemale	A vigorous, ornamental rush that has elegant structure throughout the year. Well-suited for wetter areas and submerged in pots in a pond. Make sure to restrict rhizome growth to prevent any unwanted...	22.50
Erica carnea 'Ann Sparkes'	A low spreading shrub with narrow, golden foliage with bright bronze tips in Spring and Summer. Racemes of urn-like, rose-pink flowers deepening with age to purplish-pink in late Winter.	2.50
Erica carnea 'Foxhollow'	A low spreading shrub with narrow, yellow foliage deepening to orange in cold winters. Racemes of urn-like, pale pink flowers.	2.50
Erica carnea 'Golden Starlet'	A low spreading shrub with narrow, bright yellow foliage turning lime-green in Winter; white flowers.	2.50
Erica carnea 'Loughrigg'	A low spreading shrub with narrow, dark green, bronzy foliage and rose-purple flowers.	2.50
Erica carnea 'Springwood White'	A vigorous, low spreading shrub with narrow, mid to light green leaves and white flowers with chocolate anthers.	2.50
Erica carnea 'Vivellii'	A low spreading shrub with narrow, bronze-green leaves and urn-like dark red...	2.50
Erica x darleyensis 'Furzey'	A low spreading bushy, evergreen shrub with dark green foliage. Racemes of urn-shaped, deep pink flowers.	2.50

Name	Description	Price
Erica x darleyensis 'Kramer's Rote'	A low spreading bushy, evergreen shrub with dark, bronze-green foliage. Racemes of urn-shaped, deep heliotrope flowers.	2.50
Erica x darleyensis 'Mary Helen'	A low spreading bushy, evergreen shrub with green/yellow foliage, bronzing in winter. Racemes of urn-shaped, pink, heliotrope flowers.	2.50
Erigeron karvinskianus	A superb plant with masses of white and blushed pink daisy like flowers from May to Oct. Great for a sunny position for long lasting colour or trailing over walls	5.50
Erigeron 'Sea Breeze'	A clump forming perennial with striking pink daisy-like flowers with yellow centres in summer.	6.00
Eryngium x zabelii 'Neptunes Gold'	A new form of perennial Sea Holly with finely toothed green leaves topped with unusual golden yellow Thistle like flowers during summer, great for cut flower as well	7.50
Erysimum 'Bowles Mauve'	An evergreen perennial with narrow grey/green leaves and clusters of mauve flowers borne over long period. Good for bees	7.50
Eucalyptus gunnii	A fast growing robust evergreen shrub. Intense silver immature foliage turns grey green with age. Keep trimmed to maintain the silver leaves. Good for flower arranging	17.50
Euonymus alatus 'Compactus'	A very dense shrub with fresh green leaves turning brilliant pink in Autumn. The stems have cork-like wings.	14.50
Euonymus fortunei 'Blondy'	An outstanding low-growing shrub with bright golden variegated leaves which have a pink tinge after frost. Good ground cover or in pots	7.00
Euonymus fortunei 'Emerald Gaiety'	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	7.00
Euonymus fortunei 'Emerald Gaiety'	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	5.00
Euonymus fortunei 'Emerald Gaiety'	Forms a compact, low bushy shrub, bright green leaves with white margins tinged pink in winter. Good ground cover.	36.00
Euonymus fortunei 'Emerald 'n' Gold	An outstanding low-growing shrub. Bright green leaves with a broad golden margin, tinted red in winter. Good ground cover.	8.50
Euonymus fortunei 'Emerald 'n' Gold	An outstanding low-growing shrub. Bright green leaves with a broad golden margin, tinted red in winter. Good ground cover.	18.00
Euonymus fortunei 'Harlequin'	Forms a compact, low bushy shrub, bright green leaves with white splashes and tinged pink in winter. Good ground cover and good for container growing. Prune in mid to late spring to keep the plant bushy and cut out any green shoots	5.00
