Anemone rupicola 'Frisly Knickers'	Elegant double-headed herbaceous perennial, boasting bi-tonal white and pale violet petals. Works perfectly within a cottage garden border or container	7.50
Anemone 'September Charm'	A beautiful late flowering Autumn perennial with many slender stems topped with masses of large rosy pink cup shaped flowers. Great for late colour throughout an Autumn border. Deadhead to promote repeated flowering, cut back in Winter once foliage dies back.	8.50
Anemone 'Whirlwind'	Erect perennial with suckering shoots, mid-green leaves. An old American variety with semi-double white flowers. Provides late colour throughout an Autumn border. Deadhead to promote repeated flowering. Cut back once foliage dies back in Winter.	8.50
Anemone 'Wild Swan'	Clump forming hardy perennial with many attractive white flowers with pale blue on the reverse produced through summer. Deadhead regularly to encourage repeat flowering	9.50
Angelica gigas	A magnificent domed purple flowering perennial with impressive, structural size and appearance. Has stunning seed pods for a quality Autumn display.	8.00
Antennaria dioica 'Rosea'	Small glaucous leaves with rose pink flowers in Spring	3.50
Anthemis 'E. C. Buxton'	Clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers.	6.00
Anthemis 'E. C. Buxton'	Clump-forming, free-flowering perennial with aromatic, finely cut mid-green leaves, grey-green beneath. Branching stems of lemon-yellow flowers.	8.50
Anthemis 'E. C. Buxton Dwarf'	Compact clump-forming, free-flowering perennial with aromatic, finely cut mid-	6.00

Name	Description	Price
	green leaves, grey-green beneath. Branching stems of lemon-yellow flowers over a long period. Cut back flower stems after first flowering to encourage repeat flowering. Great for front of border	
Anthemis 'Sauce Hollandaise'	Clump-forming, free-flowering perennial with finely-cut aromatic leaves, mid-green above and grey beneath. Branching stems of pale cream, almost white flowerheads all Summer.	7.50
Anthemis nobile 'Trenague'	A non-flowering low growing hardy perennial. Ideal for planting between flags as when walked on the leaves are highly aromatic. Used to make lawns in a well drained sunny position	3.00
Anthriscus syvelstris 'Ravenswing'	An elegant perennial cultivar of cow parsley with sleek, dark purple stems contrasting against creamy white flower clusters.	8.50
Aquilegia 'Spring Magic Blue'	All Aquilegias have wonderful foliage that emerges early in the year, creating tufts of bright green. Showy blue and white coloured flowers through spring	6.50
Aquilegia 'Spring Magic White'	A clump-forming perennial with stunning white flowers. Great for a naturalised setting, can be left to self seed to fill larger spaces.	6.50
Armeria maritima 'Rubrifolia'	Cushion-forming alpine with linear, dark bronze leaves and rounded pom-pom like rich crimson flowers on slender, upright stems.	4.00
Artemisia 'Powis Castle'	Upright mound of silver aromatic foliage. Small yellow flowers in late summer.	5.00
Artemisia 'Powis Castle'	Silver, aromatic foliage with fine, fern-like, aromatic leaves and tiny, yellow daisy flowers in August	7.50
Asplenium trichomanes	Small evergreen fern suited to well drained rocky habits, stone walls or stepping stones in partial to full, damp shade.	7.50
Aster novi-belgii 'Crimson Brocade'	A late flowering perennial with clusters of semi-double magenta flowers bearing a yellow centre. Deadhead to tidy and promote repeat blooming. Cut back in late Autumn after flowering.	7.50
Aster divaricatus	Clump forming perennial with wiry blackish stems, green leaves. Open heads of tiny white flowers with brownish yellow centres	7.50
Aster frikartii 'Mönch'	Mound forming perennial covered in masses of large lilac flowers lasting over a long period in the autumn. Good mildew resistance	6.00
Aster novi-belgii 'Marie Ballard'	Clump-forming perennial with masses of deep Purple flowers in late summer and autumn. Deadhead to promote repeat flowering.	6.00
Aster novi-belgii 'Sarah Ballard'	Clump forming perennial with masses of lilac flowers with a yellow centre in late summer and autumn. Deadhead to promote repeat flowering.	7.50

Name	Description	Price
Astilbe 'Avalanche'	Clump-forming perennial with handsome dark green foliage. Fine white flowers in short, airy plumes during Summer.	6.50
Astilbe 'Bronze Elegans'	Vigorous perennial with handsome dark green foliage coloured bronze when young. Attractive, curved plumes of salmon-pink flowers.	6.50
Astilbe chinensis 'Purpurlanze'	Clump-forming perennial with handsome dark green foliage. Feathery, erect spikes of glowing purple flowers.	6.50
Astilbe 'Darwin's Snowsprite'	Bronze-tinged, deeply divided foliage in low mounds and loosely formed small white plumes. Moist soil.	6.50
Astilbe 'Inshriach Pink'	Clump-forming perennial with handsome dissected, shiny bronze-green foliage. Feathery spikes of pink flowers.	6.50
Astilbe japonica 'Washington'	Clump-forming perennial with spikes of scented fluffy cream flowers over dark green leaves. Perfect for a shady border.	6.50
Astilbe 'Mighty Chocolate Cherry'	Clump-forming perennial with handsome dark green foliage. Feathery velvety red flowers.	6.50
Astilbe simplicifolia 'Jacqueline'	Clump-forming perennial with handsome, dissected, shiny, dark foliage. A new introduction with dainty, arching spikes of rich salmon-pink flowers.	6.50
Astilbe x arendsii 'Spinell'	Clump-forming perennial with tall spikes of deep red flowers over green foliage. Perfect for a shady border.	6.50
Astilbe 'Walter Bitner'	Clump-forming perennial with striking pink flowers of excellent form.	6.50
Astilbe x arendsii 'Amethyst'	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of bright pink flowers.	6.50
Astilbe 'Bressingham Beauty'	Clump-forming perennial with handsome, bronze-tinted green foliage. Plumes of bright pink flowers.	6.50
Astilbe x arendsii 'Cattleya'	Clump-forming perennial with handsome dark green foliage edged dark red. Dainty, erect plumes of light rose-pink flowers.	6.50
Astilbe x arendsii 'Cappuccino'	Clump-forming perennial with bronze foliage and large plumes of creamy white flowers in summer. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Elizabeth Bloom'	Clump-forming perennial with handsome rich green foliage. Plumes of pure pink flowers.	6.50
Astilbe x arendsii 'Ellie van Veen'	Clump-forming perennial with handsome, light green foliage and excellent, erect plumes of white flowers.	6.50
Astilbe x arendsii 'Etna'	Compact clump-forming perennial with plumes of bright red flowers on upright stems. Ideal for moist soils and shade	4.00
Astilbe x arendsii 'Fanal'	Clump-forming perennial with handsome, dark, reddish-green foliage. Plumes of dark crimson flowers. Moisture retentive soil essential.	6.50
Astilbe x arendsii 'Granat'	Tall clump-forming perennial with plumes of large red flowers on strong stems. Ideal for	6.50

Name	Description	Price
	moist soils and shade	
Astilbe x arendsii 'Hyazinth'	Clump-forming perennial with handsome dark-green foliage. Plumes of lilac-pink flowers. Ideal for moist, shaded areas	6.50
Astilbe x arendsii 'Irrlicht'	A creamy-white flowered hybrid with emerald green foliage and compact in habit. Ideal for moist, shaded areas	6.50
Astilbe x arendsii 'Weisse Gloria'	Clump-forming perennial with handsome mid-green foliage. Large plumes of white flowers. Moisture retentive soil essential.	7.50
Astilbe x crispa 'Lilliput'	Shiny, cut and textured leaves and from mid-summer to early autumn, bears pale-pink flowers held on dark-red stems.	6.00
Astilbe x japonica 'Deutschland'	Vigorous perennial with handsome foliage. Superb plumes of white flowers with a green tint.	6.50
Astilbe x japonica 'Red Sentinel'	Vigorous perennial with dark foliage and superb plumes of deep crimson flowers.	6.50
Astilbe x thunbergii 'Professor van	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	12.50
Astilbe x thunbergii 'Professor van	Clump-forming perennial with handsome green foliage. Arching plumes of white flowers.	9.50
Astrantia major 'Buckland'	A splendid form of Astrantia with masses of cup shaped shocking pink flowers throughout late Spring and again during late Summer. Trim out old flower stems for repeat blooming	7.50
Astrantia major 'Claret'	One of the darkest forms of Astrantia with deep ruby coloured flowers. Cut out old flowering stems for repeat blooming later on. Cut back in Winter.	7.50
Astrantia major 'Dark Shiny Eyes'	Clump-forming perennial with lobed green leaves. Attractive, long-lasting, papery flowers with silver centres surrounded by red bracts. Good for cutting and drying. Dead head to encourage repeat flowering and prevent self seeding.	8.50
Astrantia major 'Roma'	Clump-forming perennial with lobed green leaves. Attractive starry paper like silver pink, long lasting flowers surrounded by greenish red bracts. Good for cutting and drying	8.50
Astrantia major 'Ruby Wedding'	Clump-forming perennial with lobed green leaves bearing attractive, long-lasting, deep purplish-red flowers. Deadhead to promote repeat flowering.	8.50
Astrantia major 'Shaggy'	Superb variety with fresh green leaves producing cream flowers with green tips. Cut back flower stems after first flush for repeat blooming later on.	9.00
Aucuba japonica 'Golden King'	A dense evergreen shrub with a strong golden variegation. good for filling in large spaces in a shrub border, even used as a form of privacy and security.	12.50
Aucuba japonica 'Picturata'	A dense, robust, evergreen shrub with gold and green variegation. Ideal to fill a large	12.50

Name	Description	Price
	space. Can be trimmed and kept compact allowing to fit into a variety of formats. Small purple flowers emerge in Early Spring along leaf axils.	
Azalea 'Amoena'	A compact, evergreen Azalea that forms clusters of purple flowers in late Spring	14.50
Azalea 'Anneke'	Highly fragrant large lemon flowers with gold spotting in the throat produced in huge trusses.	23.50
Azalea 'Arabesk'	A dense evergreen Azalea that forms clusters of dark pink flowers in May	12.50
Azalea 'Florida'	A compact, evergreen shrub that forms clusters of dark pink/red flowers in late Spring	12.50
Azalea 'Gibraltar'	Ball-shaped trusses of 10-12 reliable blooms of flame orange flowers.	14.95
Azalea 'Gilbert Mullie'	A compact, evergreen Azalea that forms clusters of light pink flowers in late Spring	12.50
Azalea 'Glowing Embers'	Reddish-orange flowers in July. Blotched orange petals. Beautiful strong grower.	14.95
Azalea 'Homebush'	A deciduous shrub that forms clusters of pink flowers in late Spring	23.50
Azalea hortulanus 'H. White'	A deciduous shrub that forms clusters of orange flowers in late Spring	23.50
Azalea 'Hot Shot'	A compact, evergreen Azalea that forms clusters of red flowers in late Spring	12.50
Azalea japonica 'Madame van Hecke'	A compact, evergreen shrub with small, dark green leaves and pink funnel-shaped flowers in late spring.	8.50
Azalea 'Koster's Brilliant Red'	A deciduous shrub that forms clusters of red flowers in late Spring	23.50
Azalea 'Satan'	Dark red buds open to large orange flowers. Good resistance to mildew.	23.50
Azalea 'Schneewittchen'	A compact, evergreen Azalea that forms clusters of bright white flowers in late Spring	12.50
Azalea 'Viscosa'	A deciduous shrub that forms clusters of White flowers	23.50
Berberis darwinii 'Compacta'	A hardy evergreen shrub with dense glossy holly like leaves Deep orange flowers in spring are followed by blue berries in autumn. Requires little pruning. Can be used in mixed borders or as an informal hedge	8.50
Berberis thunbergii 'Golden Rocket'	A new compact berberis with bright yellow foliage, grows in a tight pillar and great for sun or shade, turns bright orange in autumn.	6.50
Berberis thunbergii 'Orange Rocket'	A new compact berberis with bright orange foliage, grows in a tight pillar and great for sun or shade, turns bright red in autumn.	6.50
Berberis x lologensis 'Mystery Fire'	Spreading shrub with arching stems, spine-toothed foliage, glossy and dark green above. Clusters of orange flowers are followed by blue black-fruit.	17.99
Bergenia 'Bressingham White'	Clump-forming perennial with broad, deep green leaves. Pure white flowers, pinking with age.	7.50

Name	Description	Price
Bergenia ciliata	Clump-forming perennial with large broad, mid-green, softly hairy leaves turning a superb red in autumn. Flowers pink fading to white.	6.50
Bergenia cordifolia 'Winterglow'	Compact clump-forming evergreen perennial with light pink flowers in spring. Leaves turn reddish bronze through winter. Good ground cover	6.50
Bergenia 'Morgenröte' ('Morning Red	Clump-forming perennial with broad deep green leaves. Bright reddish-pink flowers on red stems in early spring.	7.50
Betula utilis var. jacquemontii	Conical tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	39.50
Betula utilis var. jacquemontii	A multi stemmed tree with attractive peeling white bark. Dark green leaves turning yellow in autumn. Yellow-brown catkins in spring.	120.00
Brunnera 'Jack the Giant'	Large clump forming perennial with heart-shaped leaves silver-grey with dark green veins, with bright blue flowers in spring. Large variety of Jack Frost. Ideal for ground cover in shade	8.00
Brunnera macrophylla	Perennial with heart-shaped, green leaves. Attractive airy sprays of forget me not bright blue flowers	7.50
Brunnera macrophylla 'Jack Frost'	Perennial with heart-shaped leaves silver-grey with dark green veins. Bright blue forget-me-not type flowers in spring. Ideal for shade areas	9.50

Carex elata 'Aurea'	Elegant clumps of richly golden yellow leaves with green margins and gold and brown flower spikes. Light shade, moist soil.	7.50
Carex morrowii 'Ice Dance'	Evergreen, broad, tapered dark green leaves margined creamy white, gently arching upwards on a compact plant. Green and brown flower spikes.	7.50
Carex morrowii 'Variegata'	Lustrous, narrow evergreen leaves beautifully margined with white, forming stiff clumps. Green and brown flower spikes. Extremely hardy.	6.50
Carex testacea 'Prairie Fire'	Dense evergreen sedge with upright slender green bronze foliage tipped with orange.	8.00
Cercis canadensis 'Forest Pansy'	A spreading shrub with beautiful, heart-shaped, dark purple-red leaves. Deep crimson, purple or pink flowers are borne before the leaves appear.	75.00

Name	Description	Price
Cercis chinensis 'Avondale'	An upright-growing shrub with beautiful, heart-shaped, fresh green leaves which turn yellow in autumn. Deep purple flower clusters along the branches are borne before the leaves appear.	48.00
Chaenomeles x superba 'Pink Lady'	A spreading thorny shrub with mid-green glossy leaves. Clusters of cup-shaped, clear rose-pink flowers are borne in spring, followed by green edible fruits ripening to yellow.	8.50
Chamaecyparis 'Ellwood's Empire'	A neat, compact conifer with silvery-green foliage and a gold variegation. Reaching a mature height of around 1.5m. A great feature plant for a rockery.	10.00
Chamaecyparis 'Ellwood's Gold'	A slow-growing, gold-green conifer. Golden tips give year-round interest. Very low maintenance that matures to around 3-4m in 20 years	10.00
Chamaecyparis 'Filifera Aurea'	Broadly conical habit with gracefully weeping golden yellow foliage. Works well in large space with the golden colours used as a contrasting backdrop	10.00
Chamaecyparis 'Little John'	A lovely, dwarf false Cypress with a dome-like habit and pendulous branches. The grey green-foliage sets off great contrast against stone when used in a rockery	10.00
Chamaecyparis 'Minima Glauca'	a highly popular dwarf conifer. Grown for its compact and low maintenance nature. Works perfectly in a rockery or for use in a formal borders as evergreen structure	10.00
Chamaecyparis obtusa 'Birgit'	A slow-growing, medium-sized evergreen conifer with rich green foliage and a bushy habit. Considered a dwarf variety due to its unusually slow growth rate. Perfect for rockeries and year-round structure.	10.00
Chamaecyparis obtusa 'Blue Feathers'	A compact, slow-growing, evergreen conifer that has a neat habit. The foliage retains its blue sheen to the underside of the finely textured leaves. Due to its slow growth rate and low maintenance, this is a great specimen for a smaller garden.	5.00
Chamaecyparis obtusa 'Gitte'		10.00
Chamaecyparis obtusa 'Kosteri'	A dwarf, slow-growing conifer, often flat-topped with horizontally held, fan-shaped, mossy sprays of bright green foliage, bronzing in Winter.	10.00
Chamaecyparis obtusa 'Nana Aurea'	A slow-growing tree of open, irregular growth habit and slightly pendulous, golden-yellow foliage.	10.00
Chamaecyparis pisifera 'Blue Planet'	A compact, dwarf evergreen conifer with silvery blue foliage. Great for rockeries and containers due to its small size and slow growth	10.00
Chamaecyparis 'Pearly Swirls'	A lovely new variety with creamy-white variegation on the younger growth. Old foliage will turn silvery-green. Very slow growing, maturing at only 90cm makes this plant perfect for containers and rockeries	10.00

Name	Description	Price
Chamaecyparis pisifera 'Sungold'	This dwarf coniferous shrub has greeny-yellow feathery foliage all year round. It forms a pleasant dome shape with flattened sprays of branches remaining compact and pleasing to the eye	10.00
Chamaecyparis pisifera 'True Blue'	A miniature blue-green, evergreen coniferous shrub with a compact, neat habit. Works perfectly in rockeries and containers due its slow, reliable growth	10.00
Chamaecyparis 'Silver Threads'	A dwarf, evergreen conifer with beautiful yellow variegation. Compact, pyramidal habit allows it to fit into any rockery or small border for year-round interest and structure. Matures in around 10 years at 120-150cm tall.	10.00
Chamaecyparis 'Snow White'	A compact, dwarf evergreen conifer that works well in containers and rockeries for year-round structure and interest. Foliage has a white blush to the tips that eventually turns a stunning blue-green	10.00
Chamaecyparis 'Scurrosa Sulphurea'	A very slow growing, evergreen conifer with soft, needle-like foliage, which emerges as a soft yellow then fading slowly into a blue-green throughout the Winter. Matures into a large tree between 4 and 8 metres	10.00
Chamaecyparis thyoides 'Top Point'	A neat, dwarf evergreen conifer. New foliage emerges as a dusty blue slowly turning into a rich, grass-green colour as it ages. A classic, conical form gives it structure making it a perfect addition to a formal setting or for a bit of height in a large container	10.00
Chiastophyllum oppositifolium	Hardy perennial with evergreen leaves and masses of hanging yellow flowers through late spring and summer. Very versatile, tolerates shade well.	4.00
Choisya ternata 'Sundance'	Compact evergreen shrub with bright golden-yellow, aromatic foliage and masses of sweetly-scented pink-tinged white flowers borne in late Spring and again in late Summer.	10.99
Cirsium rivulare 'Atropurpureum'	Deep crimson thistles appear on erect stems above spiny, dark green leaves. It will tolerate dry conditions and partial shade, but does best in a moist, sunny border.	8.50
Cirsium rivulare 'Frosted Magic'	Recent introduction. Hardy clump forming perennial with stiff upright stems of long lasting, white thistle like flowers. Great planted with grasses	7.50
Cistus 'Decumbens'	A stunning, ground cover, shrubby perennial. Prefers a sunny spot with free draining soil and can tolerate dry conditions. Large, white flowers emerge in Summer, sometimes lasting through into early Autumn.	8.50
Cistus x pulverulentus 'Sunset'	A dwarf bushy shrub with soft grey-green leaves and showy, saucer-shaped clear pink flowers.	8.50
Clematis 'China Purple'	An upright bushy perennial form of Clematis with beautiful bell shaped scented purple flowers in summer followed by fluffy seed heads in the autumn. Prune back in spring.	12.50

Name	Description	Price
Clematis heracleifolia 'Cassandra'	A perennial form of Clematis with beautiful scented royal blue flowers in Summer. Chop down in the Autumn	12.50
Clematis heracleifolia 'Pink Dwarf'	A low growing herbaceous form of clematis flowering over a long time from Aug-Oct. Covered in small light pink tubular flowers with recurved petals and yellow stamens. Ideal for growing alongside a path or steps.	12.50
Clematis texensis 'Princess Diana'	Trumpet shaped, dark pink blooms in abundance throughout Summer.	12.50
Corylus avellana 'Contorta'	A shrub with heart-shaped, curled green leaves and strongly twisted stems that are particularly effective in Winter. Bears yellow catkins, late Winter, early Spring.	19.50
Cordyline australis	A palm-like sub-tropical tree with sword-like foliage. Clusters of scented-white flowers emerge in late Spring	14.50
Cordyline 'Southern Splendour'	A sub-tropical, half-hardy tree with multi-variegated, sword-like foliage. Clusters of sweetly fragrancd flowers emerge in late Spring	14.50
Coreopsis verticillata 'Grandiflora	A bushy perennial with narrow, finely dissected leaves and dark yellow, daisy-like flowerheads.	7.50
Cornus alba 'Elegantissima'	A vigorous shrub with red winter shoots. Grey-green leaves margined white, red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	10.00
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	7.50
Cornus alba 'Kesselringii'	A vigorous shrub with blackish-purple winter shoots. Purple leaves, often tinged red and purple in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	30.00
Cornus alba 'Sibirica'	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	12.50
Cornus alba 'Sibirica'	A vigorous shrub with bright red winter shoots. Dark green leaves turn red in Autumn; white flowers are followed by white berries, often tinged blue. Prefers moist soil. Prune hard early March.	45.00
Cornus alba 'Siberian Pearls'	A vigorous shrub with bright red winter stems and good autumn colour. White flowers are followed by clusters of white berries. Prefers moist soil. Prune hard early March. Sunny position for best stem colour	13.50

Name	Description	Price

Rhododendron 'Elizabeth'	A medium size, spreading, evergreen shrub with deep green leaves and deep red flowers throughout spring.	22.00
Rhododendron 'Elizabeth Red Foliage'	A dense, evergreen shrub that forms clusters of red flowers. Foliage has a distinct red-purple variegation.	22.00
Rhododendron 'Gartendirektor Rieger'	A dense, Evergreen shrub that forms clusters of creamy white flowers with red speckled centres	22.00
Rhododendron 'Horizon Monarch'	A dense, evergreen Shrub that forms clusters of bright yellow flowers	22.00
Rhododendron 'Lord Roberts'	Deep red flowers with black flare forming a ball-shaped truss in late Spring. One of the toughest and strongest red varieties, suitable for most locations.	22.00
Rhododendron 'Marie Fortie'	A dense evergreen shrub that forms clusters of reddish, purple flowers	22.00
Rhododendron 'Madame Masson'	A resilient variety that forms large clusters of white flowers, each with a golden yellow spot	22.00
Rhododendron 'Marcel Menard'	A dense, evergreen shrub that forms clusters of bright purple flowers	22.00
Rhododendron 'Moerheim'	Wonderful dwarf variety with clusters of light purple-pink flowers in Spring.	16.50
Rhododendron 'Nova Zembla'	A compact, evergreen shrub that forms large clusters of deep pink flowers in late Spring	22.00
Rhododendron 'Pink Lady'	A dense, evergreen shrub that forms clusters of pale pink flowers	22.00
Rhododendron ponticum 'Variegatum'	A dense, evergreen shrub that forms clusters of purple flowers. The leaves provide extra interest through non-flowering month swith a creamy yellow variegation.	22.00
Rhododendron 'Praecox'	An evergreen shrub with small glossy leaves. One of the first to flower with rich purple flowers.	16.50
Rhododendron 'Princess Anne'	A dwarf, evergreen shrub that forms clusters of pale yellow flowers	16.50

Name	Description	Price
Rhododendron 'Shamrock'	A dwarf, evergreen shrub that forms clusters of yellow-green flowers in Spring	16.50
Rhododendron 'Snipe'	A dwarf, evergreen shrub that forms masses of pale pink-white flower clusters	16.50
Rhododendron 'Virginia Richards'	A dense, evergreen shrub that forms clusters of pink-white flowers that slowly change hues as the flowers age	22.00
Rhododendron 'Wee Bee'	A dwarf, evergreen shrub that forms clusters of pink flowers in Spring	16.50
Rhododendron yakushimanum 'Caroline'	Forms clusters of rose-pink flowers in late Spring to Summer	22.00
Rhododendron yakushimanum 'Dopey'	A deep red hybrid with long-lasting flowers with dark spots in upright firm trusses. It has a compact habit with dense light green foliage.	22.00
Rhododendron yakushimanum 'Fantasti'	A dense, evergreen shrub that forms masses of red-white flower clusters in Spring to Summer	22.00
Rhododendron yakushimanum 'Golden T'	A compact, rounded evergreen shrub that forms clusters of pale yellow flowers that are blushed pink	22.00
Rhododendron yakushimanum 'Percy Wi'	A compact, evergreen shrub that forms clusters of white and pink blushed flowers	22.00
Rhododendron yakushimanum 'Silberwo'	A dense, evergreen shrub that forms clusters of white and pink flowers	22.00
Ribes sanguineum 'Pulborough Scarle'	A bushy shrub with masses of dark red clusters of hanging flowers on bare stems followed by a flush of bright green foliage in spring. Flowers and foliage are scented. Good autumn colour. Three years after planting remove 1 in 3 of the oldest shoots near ground level after flowering	9.50
Rodgersia aesculifolia	A robust perennial with horse chestnut-like foliage. Small starry flowers make up large conical panicles in Summer	7.50
Rodgersia aesculifolia 'Bronze Peac'	A clump-forming perennial with bronze foliage. Upright stems of pink flowers in late Spring. Marvellous in light shade and/or moist soil.	7.50
Rodgersia pinnata 'Alba'	A clump-forming perennial with bold, crinkled, bright glossy reddish-bronze leaves and upright stems of cluster of white flowers.	7.50
Rodgersia pinnata 'Candy Clouds'	Architectural perennial with large palmate leaves that forms tall plumes of soft pink and white flowers in Summer.	7.50
Rodgersia pinnata 'Chocolate Wings'	A clump-forming perennial with large chocolate tinged bronze foliage which gives a good contrast to and upright stems of bright pink flowers. Moist soil. Best in sun to maintain good foliage colour. Good for pond margins	8.50
Rodgersia pinnata 'Hercules'	A clump-forming perennial with large red brown leaves fading to green with red streaks. Upright stems of fluffy pink flowers. Moist soil essential. Good specimen plant	8.50

Name	Description	Price
	around pond margins.	
Rodgersia pinnata 'Snow Clouds'	A clump-forming perennial with large heavily veined palmate leaves emerging bronze in the spring and large white plumes of fluffy flowers. Moist soil essential. Good specimen plant around pond margins.	8.50
Rosa 'Charles Darwin'	A stunning DA rose, with large closed yellow flowers, later opening out into shallow cups. A repeat-flowering, fragrant, medium shrub.	30.00
Rosa 'Desdemona'	Introduced in 2015, a medium sized shrub with large old-Rose blooms. Has a fresh, citrus fragrance with hints of Almond blossom and lemon zest.	30.00
Rosa 'Emily Bronte'	A medium DA shrub rose that forms neat, soft pink blooms. As the blooms open out a rich apricot hue is revealed inside each cup. Has a distinct old rose fragrance.	30.00
Rosa 'Eustacia Vye'	Introduced in 2019, a medium-sized shrub with large, blousy pink blooms blushed with an peachy-yellow hue. Has a fruity fragrance.	30.00
Rosa 'Gabriel Oak'	Introduced in 2019, a medium-sized shrub Rose with deep pink blooms. Has a strong, fruity fragrance.	30.00
Rosa 'Golden Celebration'	Intorduced in 1992, a medium-sized shrub rose with large, yellow blooms. Has a strong, tea fragrance.	30.00
Rosa 'Harlow Carr'	Introduced in 2004, a medium-sized shrub Rose with pink, cup-shaped blooms. Has a classic old-Rose fragrance.	30.00
Rosa 'James L. Austin'	Introduced in 2017, a medium-sized shrub Rose with large deep pink blooms. Has a light and fruity fragrance.	30.00
Rosa 'Kew Gardens'	Introduced in 2009, a medium-sized shrub Rose that forms panicles of white blooms, similar to that of Hydrangea paniculata. Has a light, subtle fragrance.	30.00
Rosa 'Roald Dahl'	A rounded, Medium DA shrub rose that forms neat, orange-red buds that eventually open out into large, fragrant apricot blooms.	30.00
Rosa 'Susan William-Ellis'	A cool DA shrub rose that forms large, white double flowers, with an incredible, old rose fragrance	30.00
Rosa 'Thomas A. Becket'	Introduced in 2013, a medium-sized shrub Rose with crimson red blooms. Has a zesty, old-Rose fragrance.	30.00
Rosa 'The Ancient Mariner'	Introduced in 2015, a medium-sized shrub Rose with large pink blooms. Has a medium mhyrr fragrance.	30.00
Rosa 'The Lark Ascending'	A large DA shrub rose with a light, mhyrr/tea fragrance. Graceful, semi-double flowers, space themselves evenly across the shrub	30.00
Rosa 'The Lady Gardener'	A mediun DA shrub rose that forms large, fragrant apricot blooms.	30.00
Rosa 'The Poet's Wife'	A delightful DA shrub rose that forms masses of golden yellow, fuity, fragranced blooms throughout Summer	30.00

Name	Description	Price
Rosmarinus officinalis Standard	A formal Rosemary standard	14.50
Rubus idaeus 'All Gold'	An Autumn fruiting Raspberry that produces golden, yellow fruit. Attractive white flowers emerge in Spring. A prolific crop-producer and very easy to grow.	7.99
Rubus idaeus 'Autumn Bliss'	A primocane variety that produces large, red raspberries in Autumn. White flowers emerge in early Summer.	7.99
Rubus idaeus 'Glen Moy'	A summer fruiting variety that is easy to grow. White flowers emerge in Late Spring and are pollinated to produce bright red, juicy raspberries in July.	7.99
Rudbeckia fulgida 'Little Goldstar'	A compact clump-forming perennial. Very free flowering with yellow black eyed daisy-like flowers from late Summer to mid-Autumn.	8.50
Rudbeckia laciniata 'Herbstonne'	A clump-forming tall perennial with branching stems supporting large lemon yellow daisy like flowers with broad petals reflexing back from a central green cone from late Summer to mid-Autumn.	9.50
Salix gracilistyla 'Mount Aso'	A deciduous, ornamental shrub-tree that develops fuzzy, grey-pink, downy catkins in late Winter, through to early Early Spring. The stems, along with catkins can be cut for lovely floral displays	14.50
Salix integra 'Hakuro-Nikishi' ST	A dwarf Japanese willow with bright cream and pink variegated foliage all season. Moisture essential in order to prevent leaf scorch. Lightly prune annually in early Spring.	12.50
Salix integra 'Hakuro-Nishiki' ST	A dwarf Japanese willow with bright cream and pink variegated foliage all season. Moisture essential in order to prevent leaf scorch. Lightly prune annually in early Spring.	28.00
Salix integra 'Hakuro-Nishiki' TW	Grown as a standard with twisted stems. A dwarf Japanese willow with bright cream and pink variegated foliage all season. Moisture essential in order to prevent leaf scorch. Lightly prune annually in early Spring.	50.00
Salix integra 'Hakuro-Nishiki' TW	Grown as a standard with twisted stems. A dwarf Japanese willow with bright cream and pink variegated foliage all season. Moisture essential in order to prevent leaf scorch. Lightly prune annually in early Spring.	50.00
Salvia 'Amistad'	A bushy plant with dark purple flowers set in almost black calyces. Flowers throughout summer. Great for bees. needs a sheltered position	8.50
Salvia 'Amethyst Lips'	A bushy low growing plant with many purple and white flowers throughout summer held over scented foliage. Great for a sunny location	6.00
Salvia greggii 'Blue Note'	A compact plant with a profusion of long lasting, deep blue flowers throughout summer held over scented foliage. Great for a sunny location	6.00

Name	Description	Price
Salvia 'Icing Sugar'	A bushy low growing plant with scented foliage and many white and pink flowers held on purple stems throughout summer. Great for a sunny location	4.00
Salvia nemerosa 'Blauhugel'	A compact perennial with long lasting short spikes of lavender flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.00
Salvia nemerosa 'Caradonna'	A compact perennial with long lasting long spikes of indigo flowers on purple/black stems throughout summer. Great for a sunny location. Good for bees and butterflies	9.50
Salvia nemerosa 'Ostfriesland'	A compact perennial with long lasting spikes of violet blue flowers throughout summer. Great for a sunny location. Good for bees and butterflies	8.50
Salvia nemerosa 'Schneehugel'	A compact perennial with long lasting branching spikes of pure white flowers throughout summer. Great for a sunny location. Good for bees and butterflies	8.50
Salvia nemerosa 'Schwellenburg'	A compact clump forming perennial with long lasting spikes of rose/purple flowers throughout summer. Great for a sunny location. Good for bees and butterflies	7.00
Salvia nemerosa 'Viola Klose'	A compact perennial with tall spikes of dark purple flowers from July to Sept. Great for a sunny location	8.50
Salvia 'Oriental Dove'	A bushy low growing plant with many purple flowers with white edging to the petals throughout summer held over scented foliage. Great for a sunny location. Leave till late spring to prune back old growth	6.00
Salvia 'Purple Rain'	A lovely, clump-forming perennial that forms multiple, upright, purple-flowering racemes. A resilient variety that seems to suit almost all settings.	8.50
Salvia 'Trebah Lilac White'	A bushy low growing plant with scented foliage and many white flowers with hints of lilac pink throughout summer. Great for a sunny location	5.50
Sanguisorba 'Fire Explosion'	Clump forming, slowly spreading hardy perennial with finely cut foliage. Spikes of large, fluffy red, semi-pendulous flowers held on slender stems.	9.50
Sanguisorba 'Pink Brushes'	Clump forming, slowly spreading hardy perennial with finely cut foliage. Spikes of large, fluffy, rose-pink, semi-pendulous flowers on slender stems.	9.50
Sanguisorba 'Strawberry Frost'	An easy to grow clump forming, slowly spreading hardy perennial with finely cut foliage. Upright stems of semi-pendulous flowers on slender stems which are white with a delicate pink dusting. Good for prairie planting.	9.50
Sanguisorba 'Tanna'	An attractive dwarf hardy perennial, with finely cut foliage and masses of red, cylindrical flowers that float above slender stems.	8.50
Sanguisorba 'White Tails'	An easy to grow clump forming, slowly spreading hardy perennial with finely cut	9.50

Name	Description	Price
	foliage. Upright stems of semi-pendulous white flowers on slender stems. Good for prairie planting. Good for pollinating insects	
Sarcococca 'Purple Stem'	A compact, evergreen low maintenance shrub with fragrant creamy white flowers in winter through to early spring followed by long lasting purple red fruit. New stems are purple fading with age. Great for dry shade.	14.50
Saxifraga 'Atropurpurea'	A mat forming variety with crimson flowers held on stems over bright green leaves.	3.50
Saxifraga 'Hareknoll Beauty'	A saxifrage with neat rosettes of deep green leaves edged silver with sprays of deep pink flowers in early summer.	4.00
Saxifraga paniculata 'Lutea' (8)	A mat-forming saxifrage with rosettes of pale, grey-green leaves with lime-encrusted margins. Soft yellow flowers in early Summer.	3.50
Saxifraga paniculata 'Rex' (8)	A rosette-forming saxifrage with large, evergreen rosettes of silvery encrusted, lime-green leaves. Large white flowers in sprays on red stems.	3.50
Scabiosa 'Butterfly Blue'	Compact, long blooming perennial with a profusion purple blue pincushion flowers over a long period well drained soil, Great for bees and butterflies	8.00
Scabiosa columbaria 'Pink Mist'	Long blooming perennial with grey green leaves and a profusion of pink to lavender pincushion flowers. Well drained soil, Great for bees.	8.00
Scabiosa 'Kudo White'	Compact, semi evergreen long blooming perennial with a profusion of white pincushion flowers held on wiry stems. Well drained soil, Great for bees and butterflies	7.50
Scabiosa 'Misty Butterflies'	Compact, long blooming perennial with a profusion of pink or blue pincushion flowers over a long period well drained soil, Great for bees.	8.00
Sedum oreganum tenue ('Procumbens')	A fantastic alpine forming a low growing carpet with deep red leaves in summer covered in large yellow flowers	3.00
